## **Bendina Miller**

Canadian Association for Community Living  
4890 Glen Eagle Drive  
Fairmont Hot Springs, BC V0B 1L1

As a Student Services Teacher, School/District Administrator, Superintendent of Schools, President of the Canadian Association for Community Living and family member, Bendina has been committed to inclusion for all students since 1968. She has worked directly with school districts and schools in the development of both inclusive education policy and in the implementation of practice supporting inclusion. She has been an employee and consultant with the Ministries of Education in Saskatchewan and British Columbia. She has presented on the topic of inclusion at meetings and conferences in both Canada and internationally. Bendina is committed to working in partnership with parents, educators, and community members and with organizations dedicated to inclusion in both schools and in the broader community.

**Interests:** Development of inclusive education policy and practices that support quality inclusion for all students.

Working in partnership with all interested parties in the development and support of successful inclusive education.

Supporting the development and enhancement of inclusive education through presentations at meetings and conferences.

**Consultation:** Inclusive education policy and practice. Supporting collaborative work.
